

PERSONAL PROTECTIVE EQUIPMENT (PPE)

About Us

Here at Kiernan Group Holdings (KGH), we have been able to facilitate the acquisition of critically needed personal protection equipment (PPE) to both the public and private sectors. We have numerous working relationships with manufacturers for some of most critical supplies needed to support our first responders. No matter your need, we can assist you with procuring masks, medical gowns, gloves, face shields, and hand sanitizer. KGH PPE RFQ purchases can also be made through our GSA Schedule 84 contract vehicle, using the following SIN codes 339113R and 332999. If you need help with decisions related to business continuity planning or supply chain resilience, please reach out. Our heartfelt thanks to our entire First Responder Community and other practitioners who continue public service. Stay safe. – Your KGH Team

NIOSH N95 Respirators

The KGH product line up of NIOSH approved N95 respirators meet or exceed the standards for all the industries in which these products are used. These respirators have been developed to compete with similar appearing disposable respirators offered by 3M, Dupont, and Honeywell. By far, the cone and vertical fold styles of N95 mask are the most widely used mask in all work environments.

Makrite 9500-N95*
 NIOSH Approval: TC-84A-5411
 FDA 510(k): K020474

Makrite 9500V-N95
 NIOSH Approval: TC-84A-5460

Makrite N95V-910FM
 NIOSH Approval: TC-84A-4542

Makrite Sekura-N95
 NIOSH Approval: TC-84A-7638

San Huei SH9550
 NIOSH Approval: TC-84A-3713

San Huei SH3500
 NIOSH Approval: TC-84A-4313

NOTE:

* Respirators are cleared by the Food and Drug Administration (FDA) as a surgical mask. These products are referred to as Surgical N95 Respirators. [View a definition of Surgical N95 Respirators](#). For your convenience, the Surgical N95 Respirators include the FDA 510(k) Clearance Number.

Description	Size	NIOSH Approval	FDA 510(k)	Carton Contents (Boxes x Masks)	Quantity	Unit Cost
Makrite 9500-N95	M/L	TC-84A-5411	K020474	12  X 20  = 240	10K to 100k	\$ 3.50
Makrite 9500V-N95	M/L	TC-84A-5460	K020474	12  X 10  = 120	10K to 100k	\$ 3.75
Makrite N95V-910FM	M/L	TC-84A-4542	-	12  X 10  = 120	10K to 100k	\$ 3.75
Makrite Sekura-N95	M/L	TC-84A-7638	-	12  X 40  = 480	10K to 100k	\$ 2.50
San Huei SH9550	M/L	TC-84A-3713	-	12  X 20  = 240	10K to 100k	\$ 3.40

Nitrile Gloves

The KGH product line up of Nitrile gloves comply with EN 455, EN 374, and ASTM D6319 standards. The nitrile gloves we offer are comfortable, super soft, flexible, powder free, and are an excellent alternative for those suffering from Type I allergies. Designed with a special nitrile formulation—they feel and fit like latex, allow full range of motion, and have excellent flexibility to minimize stress and fatigue.

Intco Medical Nitrile Examination Gloves
 FDA 510(k): K990186

Sungo Medical Nitrile Examination Gloves
 FDA 510(k): K072145
